

Upward Soccer 2018

Upward Soccer is a Christ centered program that aims to enable players to build their skills, speed, strength, and stamina. Our recreation league and camp will introduce young athletes to the game at an early age and help build the foundation to excel at the next level. All players guaranteed equal playing time

Our vision is to see Upward players develop mentally, athletically, spiritually, and socially, into total athletes who excel both on and off the field.

Program Description:

The league is coed for ages Pre – Kindergarten 4 through the 8th grade.

(6-8 grade depends on number of participants) (Pre – K4 child must turn 5 by Nov 4, 2018)

Mini Camp: We will be providing a free mini soccer camp on Saturday August 25, 2018 from 9am -11am for all participants. This will provide a great way to acclimate the children with the program and with the sport as well.

Evaluations/ Assessments:

All participants must attend an evaluation / assessment. Please find below your child's scheduled evaluation time.

The evaluation is designed to provide a means in which teams can be drafted as equally as possible. Upward programs promote the idea of trying to balance the teams the best we can in an attempt to not only persuade teams from coming in as select teams, but to be able to provide the best team match up as possible and to have a great playing experience.
